Iraq	Freedom & Prosperity	1 Million Dead, Birth of ISIS	Oil & Ancient Artifacts
Libya	Protection of People	Slavery, Civil War, Water Shortage	Gold & Light Crude Oil

Defining the New World Order: A Legacy of Extraction and Destruction

Bitter historical events definitively prove that the claim of the New World Order is not based on development, but on a strict strategy of systematic destruction, financial dependency, and wealth extraction.

SYSTEM LOGOFF: Awareness of reality is the first step toward independence.
